

Kiosk Diamond 22L

Designed with a unique mix of stylish curves and smooth, multi-touch functionality, the Diamond 22L is a superb kiosk. The edgy look with the full high definition wide screen display makes it perfect for retail, showrooms, restaurants, information centres, lobbies and site offices.

Compact Multi-Touch Kiosk

A full HD 22" touch screen utilizes touch technology with 10 simultaneous touch points. The touch monitor is commercial quality which allows for extended 24/7 use and extreme reliability. The display is protected with vandal and scratch resistant glass.

The kiosk contains an in-built PC Intel Core i5 processor with 8GB RAM, 64GB Solid State Drive, and preloaded with Windows Pro.

The Diamond 22L's sleek design redefines the modern kiosk with its timeless good looks. Steel enclosure powder coated classic white colour on a sturdy base.
